

6 Reasons you should work for

PURPOSE-DRIVEN WORK

When you work for rabbittransit, you're driving change. We often take for granted the ability to travel to everyday locations – a place to buy milk, receive an immunization, or maintain employment. Without these connections, we cannot provide for our basic needs or dare to explore our future. Providing a ride shapes our neighbors and directly impacts their lives.

STABILITY & SERVICE AREA

14% of rabbittransit employees have been with our company for more than 10 years. We have over 400 staff members across 10 counties. With a diversity of work locations, find the area that fits for you.

HEALTH & WELL-BEING

Our employees are our most important asset. While offerings are unique to each county's market practices, they include things like comprehensive coverage for health care, employer provided Simplified Employee Pension (SEP), paid time off and holiday time, all subject to local requirements.

CARING FOR OUR COMMUNITIES

We created our own 501(c)(3) non-profit, 3P Ride, to deliver more people, to more places, for more possibilities. Focused on veterans transportation, access to food and access to medical care, we aid vulnerable families, older adults and persons with disabilities who would otherwise fall through the cracks of traditional transportation funding.

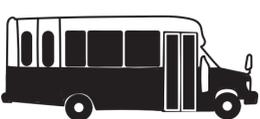

GOING GREEN

rabbittransit realizes that good public service is responsible public service, and as a regional public transit system, we know that we must be environmentally conscious. Not only are green practices better for the environment, they're better for operations, often leading to improvements in efficiency, supply costs and reduced waste.

TOP-NOTCH TECHNOLOGY

rabbittransit is always looking for new ways to lead the transportation industry. We are driven to be innovative and often test products and programs across the state. We have invested in cutting-edge technology and equipment to provide you with the tools you need to succeed.

CAREER PATHS

Paratransit Driver

Our paratransit drivers make a difference in our community by serving local seniors, persons with disabilities, veterans, and vulnerable families. A CDL is not a requirement to drive these smaller shuttle buses.

Fixed Route Driver

Our riders depend on fixed route drivers to maintain employment, go to school, access food and medical care and so much more! Applicants for fixed route must have a valid CDL.

[LEARN MORE](#)

Customer Service

We're seeking people who are passionate about the customer experience. Our customer service representatives serve our riders by providing service information, booking paratransit trips, giving accurate fixed route information to riders and answering questions.
